

CAPABILITY STATEMENT.

Medical Courier & Logistics | NY • NJ • CT • PA • DE • MD

Same-Day & STAT Delivery HIPAA-Conscious Handling Chain-of-Custody Procedures 24/7 Dispatch

COMPANY OVERVIEW

PierrePro Courier is a Black, Haitian-owned, family-owned medical courier and logistics company based in New York. We provide secure, time-critical transportation of medical specimens, pharmaceuticals, and medical equipment for healthcare, commercial, and government organizations throughout New York, New Jersey, Connecticut, Pennsylvania, Delaware, and Maryland.

Founded and led by Pierre Penel, Founder & Chief Executive Officer, PierrePro Courier combines careful handling, direct communication, and documented procedures to deliver peace of mind with every package.

CORE COMPETENCIES

- ◆ **Medical Specimen Transport** — Lab specimens, bloodwork, and diagnostic samples with chain-of-custody documentation; same-day and STAT service.
- ◆ **Pharmaceutical Delivery** — Medications and pharmaceutical products for pharmacies, distributors, clinics, and providers; scheduled or on-demand.
- ◆ **Medical Equipment & Supply Delivery** — Equipment, devices, and durable medical goods with white-glove handling and scheduled appointments.
- ◆ **Scheduled Route Services** — Daily, weekly, or custom recurring routes, including multi-stop pickup and delivery.
- ◆ **Last-Mile & Same-Day Delivery** — Rush and time-critical shipments across our six-state service area.

DIFFERENTIATORS

- ◆ Background-checked, HIPAA-trained couriers
- ◆ Documented chain-of-custody procedures
- ◆ OSHA-aligned safety practices
- ◆ Insured & bonded: general liability, cargo, and workers' compensation
- ◆ 24/7 dispatch with real-time tracking
- ◆ Direct line to the owner — personalized service
- ◆ Minority-owned NY small business (MBE certification pending)
- ◆ Scheduled & on-demand service

Secure, documented handling from pickup to delivery.
